Dear Herb:

We have been operating on a somewhat limited budget in the matter of headquarters travel to affiliated clubs this year, but I am happy to say that we have been able to include Milwaukee on a trip scheduled to be taken by Communications Manager Handy, W1BDI, in October. The date will be Wednesday, October 29th.

I tried to schedule the itinerary so that his visit would jibe with your regular meeting night, Thursday, but that would have meant wasting a day in the meantime, which could not be afforded. I hope that the date of Wednesday, the 29th, will be satisfactory and that you can arrange a special get-together for that evening to provide Handy an opportunity to meet with your gang.

Will you let me know if a meeting can be arranged, and the time and place? My best to all.

Sincerely yours,

John Huntoon
Assistant Secretary
